

**Welcome!**

**How to make  
localization  
comfortable for  
everyone involved**

**do not invent**

**use  
sustainable  
solutions**

**create what's missing**

**Niklas**  
**15:10**

**make it easy for  
everyone involved**

**make it easy to join  
localization**

**be responsible  
to your community**

**Diana**  
**15:45**

**accept help  
from humans and  
machines alike**

**Tom**  
**13:40**

**communicate and  
keep your community  
in close touch**

**share stories**

**it inspires & motivates**

**Bogo**  
**14:50**

**make the outcome  
useful & easy to use**

**Suzanne**  
**16:10**

**Steven**  
**14:15**

**do not translate  
names**

**it fragments the  
community**

**have fun**

**Zughy**  
**16:45**

Your  
**software,**  
your **language.**

# What do you think?

# Thank you for your attention!
